Education/training

From	To	Qualification	Subject	Organisation

Career breaks

Have you had any career breaks or periods of part-time work, for example parental or long-term sick leave?

Please provide details

--

Do you wish to undertake this award part time?	
---	--

Career contributions

What are your most important research-related contributions to date? This may include contributions to health policy or practice, or to technology or product discovery and development. (350 words max.)

Personal statement

Describe how this Fellowship will further your research and career aspirations, and its context in your longer-term vision. (500 words max.)

Professional recognition

Please list: (i) Prizes, honours and awards received during your career, including invited talks during the last three years; (ii) Current memberships of funding agency advisory and/or journal editorial boards.

Peer-reviewed publications and other research outputs

List up to 20 of your most significant peer-reviewed publications, preprints, or other scholarly research outputs, e.g. patents. You may provide a summary of your contribution to, or your role in, the work associated with each (e.g. intellectually conceiving or conducting the research, supervising staff, writing the paper).

Publications should be in chronological order with the most recent first. Please give citation in full, including title of paper and all authors. Citations to preprints should state "Preprint", the repository name and the articles persistent identifier (e.g DOI).*

*(*All authors, unless more than 10, in which case please use 'et al', ensuring that your position as author remains clear.)*

Total number of peer-reviewed publications which you have authored/co-

authored. Please exclude abstracts and literature reviews.

Current and recent research funding (including Wellcome Trust grants)

Please list all held in the last five years and any key prior grants (list the most recent first). State the name of the awarding body, name(s) of grantholder(s), title of project, amounts awarded, your role in the project, and start and end dates of support. For all active grants, indicate the number of hours per week that are spent on each project.

Clinical status

Do you have a medical/veterinary degree?

The remaining questions in this section are only for applicants who hold a medical/veterinary degree.

What clinical contract and post do you currently hold?

What is your specialty?

Please specify

Please provide details of the clinical training path in your country.

Which stage of the clinical training path are you currently at?

How many more years of clinical training are you required to do before you qualify as a specialist?	
---	--

Give details of any clinical specialist training you propose to undertake during this award.

Sponsor's research and track record in research mentorship and training

Please upload a letter from your sponsor providing details of:

- a) Grant support he/she has held in the past three years, listing the grants, including title, duration, source of funding and amount awarded;
- b) Research students and fellows sponsored in the past five years, including numbers sponsored, and for each research student/fellow the qualification obtained and current employment status;
- c) How the applicant's research will fit with the sponsor's current research programme;
- d) Support and mentorship that will be provided to the applicant and how this fellowship will advance the applicant's research career.

Outline of research project

Please outline your proposed research, including:

- (a) key goals;
- (b) relevance to the low- or middle-income country setting; and
- (c) reasons for choice of research location(s).

Briefly outline any planned training, including the intention to register for a PhD.

(1000 words max.)
